SUMMARY

Detail-oriented healthcare professional with over 7 years of experience in medical coding, auditing, and insurance coordination within inpatient and outpatient settings. Certified in Medical Auditing (CPMA) and Professional Coding (CPC), with hands-on knowledge of UAE healthcare regulations, DHA guidelines, and payer protocols. Adept in claims submission, pre-approvals, DRG coding, and compliance documentation. Seeking a Submission Officer role to contribute to efficient revenue cycle management and regulatory compliance.

CORE COMPETENCIES

CPMA | CPC | ICD-10, CPT, HCPCS Coding | Medical Auditing & Documentation Review | Claims Submission & Pre-Authorization | DRG Validation | Knowledge of UAE Insurance Regulations | Familiarity with DHA guidelines | EHR/EMR Systems | HIPAA & Compliance Protocols

PROFESSIONAL EXPERIENCE

Senior Inpatient Insurance Coordinator

Nov '22 - Present

HMS MIRDIF Pvt. Hospital

Dubai, UAE

- Audited and coded medical records using ICD-10 and CPT, ensuring accuracy, compliance, and alignment with DHA and payer guidelines.
- Handled pre-approvals and DRG coding for inpatient and day-case claims, including INLIER, OUTLIER, ADD-ON, and TRANSFER payment categories.
- Reviewed documentation for completeness and supported revenue cycle management by minimizing claim denials and improving coding quality.
- Collaborated with physicians and billing teams to resolve discrepancies and strengthen audit readiness.
- Proficient in EMR systems and medical billing software, with formal training in medical auditing and healthcare quality standards (DHA, JCI, HIPAA)

Inpatient Insurance Coordinator

Apr '22 - Oct '22

Dr. SULAIMAN AL HABIBI HOSPITAL

Dubai, UAE

- Managed inpatient pre-approvals, ensuring accurate coding and documentation for timely claim processing and compliance with payer requirements.
- Proficient in DRG (Diagnosis-Related Group) calculations, contributing to accurate reimbursements and efficient revenue cycle operations.
- Audited and coded medical records using ICD-10 and CPT, adhering to DHA/HAAD guidelines and insurer-specific protocols.
- Collaborated with physicians and billing teams to resolve discrepancies, improve documentation, and enhance audit readiness.
- Skilled in using EMR systems and billing software, with formal training in medical auditing and healthcare quality standards.
