OBJECTIVE

Highly skilled and enthusiastic Registered Nurse with 4 years of experience in ICU setting. Committed to deliver high-quality care, improving patient outcomes and collaborating with multidisciplinary teams.

EDUCATION

- 2016/10 MANIPAL COLLEGE OF MEDICAL SCIENCES
- 2020/12 Bachelor Of Science In Nursing
- 2014/07 MILLENNIUM HIGHER SECONDARY SCHOOL
- 2016/07 +2 College

EXPERIENCE

- 2021/07 B.P. KOIRALA MEMORIAL CANCER HOSPITAL
- 2025/06 ICU Registered Nurse
 - Monitored vital signs (BP, HR, RR, SPO2 etc.) and assessed neurological status (GCS, pupil response) for brain-injured or post-op patients.
 - Monitored critically ill patients (Sepsis; MI; Stroke) with advanced hemodynamic support.
 - Managed ventilated patients, adjusted setting for ABG results and prevented VAP.
 - Administered high-risk IV drips (Norepinephrine; Vasopressin) to maintain perfusion.
 - Collaborated in rapid responses and code blues, ensuring timely intervention.
 - Maintained accurate EHR records for audit and care continuity, maintaining compliance with ICU protocols.
 - Provided comprehensive nursing care to cancer patients undergoing chemotherapy and radiation therapy.
 - Educated patients and families on disease management, symptom control and post treatment care.

CERTIFICATE

- 2021/03 NEPAL NURSING COUNCIL
- 2023/12 NCLEX-RN CERTIFICATION
- 2024/12 BLS CERTIFICATION
