ICU NURSE | Jan 2021 – Dec 2022

RAJARAJESWARI MEDICAL COLLEGE & HOSPITAL, BANGALORE, INDIA

KEY RESPONSIBILITIES

- Managed critically ill patients in ICU, providing comprehensive monitoring and care.
- Administered medications, managed ventilators, infusion pumps, and other ICU equipment.
- Assisted in invasive procedures and monitored post-operative patients for complications.
- Conducted regular patient assessments, including vital signs and neurological status.
- Collaborated with doctors, physiotherapists, and other staff to implement care plans.
- Educated patients' families on disease progression, care plans, and discharge procedures.
- Maintained compliance with hospital standards, infection control, and documentation protocols

CORE COMPETENCIES

- Skilled in providing holistic care tailored to individual patient needs while ensuring safety and comfort.
- Proficient in conducting thorough physical, neurological, and vital sign assessments to detect early signs of deterioration.
- Experienced in managing critical situations in ICU and ER settings, including life-saving interventions and rapid decision-making.
- Adept at collaborating with physicians, therapists, and multidisciplinary teams to develop and implement effective care plans.
- Knowledgeable in maintaining adherence to healthcare regulations, infection control standards, and hospital protocols.

PERSONAL STRENGTHS

- **Compassion & Empathy** – Ability to understand patients' needs, provide emotional support, and build trust with patients and families.
- **Problem-Solving** – Quickly assess patient conditions, make informed decisions, and respond effectively in emergencies.
- **Attention to Detail** – Ensures accurate medication administration, precise monitoring, and meticulous documentation of patient records.
- **Communication Skills** – Clearly conveys information to patients, families, and healthcare teams, ensuring seamless care coordination.
- **Adaptability & Flexibility** – Handles dynamic and high-pressure environments, such as ER or ICU, with ease and efficiency.

DECLARATION

I hereby declare that the above-mentioned information is true and I bear the responsibility for the correctness of the above-mentioned particulars.
