CAREER OBJECTIVE

Experienced **Pharmacist with a DHA (Dubai Health Authority)** license and a proven track record of success over 2 years in diverse healthcare environments. Proficient in dispensing medications accurately, providing comprehensive medication counseling to patients, and ensuring adherence to regulatory standards and protocols. Skilled in medication therapy management, inventory control, and interdisciplinary collaboration to optimize patient outcomes. Committed to delivering exceptional patient care, I excel in collaborating with interdisciplinary teams to optimize treatment outcomes and improve patient satisfaction. My dynamic approach to pharmaceutical practice is complemented by a strong focus on continuous professional development and staying updated with industry advancements. Thriving in fast-paced settings, I maintain a high level of accuracy, efficiency, and professionalism while prioritizing patient safety and satisfaction. Now, **I am eager to leverage my experience, skills, and passion for pharmacy** to contribute effectively to a forward-thinking organization dedicated to innovation, excellence, and enhancing the quality of healthcare delivery.
