### EXPERIENCE

#### Nursing Officer - (Dec 2024 – June 2025)

A. A. Rahim Memorial District Hospital - Kollam, Kerala, India

- Delivered critical care to patients in an 18-bed Intensive Care Unit (ICU), ensuring continuous monitoring and timely intervention.
- Administered medications, managed IV infusions, and conducted thorough patient assessments.
- Performed hemodynamic monitoring to evaluate and support cardiac and circulatory function in critically ill patients.
- Strictly adhered to infection control protocols, significantly reducing risk of hospital-acquired infections.
- Assisted physicians during bronchoscopy procedures, ensuring proper preparation, sterile technique, and post-procedure care.
- Collaborated with multidisciplinary teams to formulate and implement individualized care plans.
- Offered compassionate care and emotional support to patients and their families in high-pressure clinical environments.

### EDUCATION

#### BSc Nursing (2019-2024)

KERALA UNIVERSITY OF HEALTH SCIENCES – SI-MET College of Nursing, Kerala, India

Percentage of Marks Obtained – 69%

Completed a 4-year Bachelor of Science in Nursing with English as the medium of instruction. The program included both theoretical and hands-on clinical training across medical-surgical, pediatric, psychiatric, and obstetric nursing. Qualified to practise as both a Registered Nurse and Midwife upon graduation, with practical exposure in hospital and community health settings.
