## Work History

---

### NEETHI MEDICAL STORE

Pharmacist | Changanacherry, Kerala, India | Apr 2024 - Jan 2025

- Counseled patients on adherence, side effects, and proper dosage, significantly improving therapeutic outcomes and patient satisfaction, aligning with DHA standards and best practices.
- Collaborated with multidisciplinary healthcare teams to effectively manage prescriptions, ensuring safe medication practices and proactively preventing adverse drug interactions.
- Managed accurate medication dispensing records, maintained rigorous compliance with inventory control systems, minimizing stock discrepancies, ensuring timely procurement, and optimizing pharmacy operations efficiently.
- Conducted consistent medication audits, verifying prescription accuracy, upholding strict regulatory compliance, and promptly reporting findings to pharmacists-in-charge, maintaining high standards.

### MEDICAL TRUST HOSPITAL

Pharmacist | Mundakayam, Kerala, India | Jul 2020 - Oct 2023

- Accurately dispensed prescriptions, ensuring drug compatibility, precise dosage, and strict adherence to physician instructions, enhancing patient safety and treatment efficacy.
- Counseled patients comprehensively on medication use, potential side effects, and crucial lifestyle modifications, leading to significantly improved treatment outcomes.
- Actively monitored adverse drug reactions, promptly reporting findings to the medical team, ensuring timely corrective measures, enhancing patient safety, and contributing to pharmacovigilance.
- Efficiently managed inventory levels, optimized stock flow, and provided critical support for pharmacy audits, ensuring operational efficiency and compliance.

### GOVERNMENT HOSPITAL

Pharmacist Trainee | Mundakayam, Kerala, India | Jul 2019 - Aug 2019

- Actively supported licensed pharmacists in daily medication dispensing, accurate stock management, and maintaining organized pharmacy operations efficiently.
- Gained valuable hands-on experience in comprehensive patient counseling, meticulous documentation, and understanding essential hospital pharmacy workflows.
- Assisted with prescription verification and performed preliminary drug interaction screenings, ensuring patient safety and supporting the lead pharmacists in daily tasks.

- Participated in inventory checks, organized medication stock, and contributed to maintaining a clean, compliant pharmacy environment effectively.
