PROFESSIONAL EXPERIENCE

Staff Nurse – OPD, IPD, ICU & Casualty

July 2025 – January 2026

Dr. K.P.K Nair Memorial Co-operative Hospital, Kanhangad

- Provided comprehensive nursing care across OPD, IPD, ICU, and Casualty/Emergency units, ensuring continuity of patient care.
- Performed patient assessment, vital sign monitoring, and clinical documentation in accordance with hospital protocols.
- Assisted physicians during emergency procedures, minor surgeries, and critical interventions in Casualty and ICU.
- Administered medications, IV fluids, injections, and maintained accurate medication records.
- Delivered critical care support including oxygen therapy, ECG monitoring, and post-procedure observation.
- Ensured strict infection control practices, patient safety standards, and aseptic techniques.
- Educated patients and caregivers on treatment plans, medication adherence, and discharge instructions.

Registered Nurse – Medical ICU

Mar 2025 – Jul 2025

Aishal Medicity | Kanhangad, Kasargod, Kerala

- Delivered comprehensive nursing care for critically ill patients in the Medical ICU.
- Monitored vital signs, ECG, oxygen saturation, and responded quickly to emergencies.
- Administered IV medications, fluids, and managed infusion pumps with accuracy.
- Operated and maintained ventilators, BiPAP, and other life-support systems.
- Assisted in emergency interventions including CPR, intubation, and resuscitation.
- Documented patient progress, nursing care plans, and ensured compliance with protocols.
- Collaborated with multidisciplinary teams to optimize patient treatment and recovery.

Staff Nurse – Neuro ICU

June 2024 – December 2024

Baby Memorial Hospital, Kozhikode

- Provided critical nursing care to neurological patients in the Neuro ICU.
- Monitored neurological status including GCS, pupil reaction, and vital signs.
- Assisted in the management of stroke, head injury, and post-neurosurgical cases.
- Administered IV medications and maintained infusion pumps accurately.
- Ensured infection control, patient safety, and continuous monitoring.
- Coordinated with neurologists, neurosurgeons, and ICU teams.

Staff Nurse – Medical Ward

May 2021 – November 2021

Ceeyam Hospital, Vadakara

- Delivered comprehensive nursing care to patients in the medical ward.
- Monitored vital signs and assisted in daily patient care activities.
- Administered medications and maintained accurate nursing documentation.
- Educated patients and caregivers on treatment plans and discharge care.
- Followed infection control protocols and hospital safety guidelines.
