WORK HISTORY

Clinical Pharmacist, 11/2022 – 09/2025

Jupiter Specialty Medical Center – Dubai, UAE

- Collaborated with interdisciplinary healthcare teams for optimal patient care and improved treatment outcomes.
- Evaluated medication regimens for complex patients, identifying potential drug interactions and devising alternative treatment strategies when necessary.
- Educated patients on proper medication use and adherence, leading to improved health outcomes and decreased hospital readmissions.

Clinical Pharmacist, 04/2019 - 03/2021

Kaduvayil Thangal Charitable Trust (KTCT) hospital – Trivandrum, Kerala, India

- Improved patient outcomes by providing medication therapy management and comprehensive pharmaceutical care to diverse patient populations.
- Enhanced clinical pharmacy services through the development and implementation of evidence-based protocols and guidelines.
- Advised physicians on how to properly dose medications.

Clinical Pharmacologist, 07/2018 - 03/2019

Suchirayu Hospital – Hubli, Karnataka, India

- Monitor drug-drug interactions and food-drug interactions and report to the prescribing physician.
- Audit of Narcotic stock and register.
- Ensure adequate stock in crash cart and sub-stock on each floor of the hospital.
- Conduct Pharmacy & Therapeutics Committee (PTC) meetings regularly and discussing the medication related issues of each month.
- Maintain the policies of high risk and Look Alike Sound Alike (LASA) medicines with appropriate color code.
- Maintain verbal order policy and medication recall policy.

Clinical Pharmacist, 04/2016 - 05/2018

Kaduvayil Thangal Charitable Trust (KTCT) hospital – Trivandrum, Kerala, India

- Educated patients on possible drug interactions, potential side effects, and optimal methods of administration.
- Served as a drug information resource for healthcare professionals, improving prescribing practices across the institution.
- Reduced medication errors, implementing double-check system for all prescriptions dispensed.
- Audit for expired medicines, proper labeling and storage of medicines.
