## 📁 PROFESSIONAL EXPERIENCE

### Medical Coder II

Optum Global Advantages

02/2022 – 07/2025 | Bengaluru, India

- Expertly assigned accurate diagnosis codes for US-based HCC (Hierarchical Condition Category) risk adjustment programs using ICD-10-CM, ensuring precise risk score capture and compliant reimbursement within the RCM (Revenue Cycle Management) process.
- Conducted detailed reviews of medical documentation, validating clinical details and ensuring coding accuracy in alignment with CMS and HCC guidelines, thereby reducing errors and maintaining regulatory compliance.
- Consistently delivered high coding accuracy and productivity, significantly minimising claim denials, improving first-pass acceptance rates, and supporting optimised risk adjustment outcomes.
- Collaborated with audit and QA teams to identify documentation gaps, strengthen compliance readiness, and improve overall coding accuracy and quality.
- Maintained up-to-date knowledge of regulatory changes (CMS, HCC, AHA) to ensure compliance and accurate coding practices.

## 📄 CERTIFICATES

- Certified Professional Coder (CPC) AAPC, 2021 (Active)
