+971 527801850 | ramsheenakn6@gmail.com | Dubai, UAE | DHA Licensed

## CAREER OBJECTIVE

Dedicated and patient-oriented Registered Nurse (RN) with more than 2 years of clinical experience in Cardiac HDU and Neurosurgery wards. Skilled in patient care, medication management, and clinical documentation. Licensed and certified in DHA, ACLS, and BLS. Strong ability to collaborate with healthcare teams and provide compassionate care to patients.

## PROFESSIONAL EXPERIENCE

### REGISTERED NURSE – CARDIAC HDU

Iqraa International Hospital and Research Centre, India | 2023 – 2025

- Delivered direct patient care, including vital signs monitoring and medication administration.
- Educated patients and families on treatment, procedures, and post-discharge care.
- Collaborated with physicians, surgeons, and allied healthcare professionals to maintain accurate and effective care plans.
- Ensured compliance with hospital safety protocols, infection control standards, and medical documentation requirements.
- Provided emotional support and counseling to patients and families to improve treatment adherence and recovery outcomes.

### REGISTERED NURSE – NEUROSURGERY WARD

Yenapoya Medical College, India | 2022 – 2023

- Assessed patients' conditions, monitored vital signs, and recorded accurate medical histories.
- Administered medications, treatments, and therapies according to physician orders.
- Observed patients' progress and reported critical changes to the healthcare team.
- Participated in interdisciplinary team meetings to contribute to individualized patient care plans.
- Assisted in patient education, rehabilitation guidance, and post-operative care.
