WORK EXPERIENCE

SURYA MEDICAL CENTER
Palakkad
Dec 2021 - May 2024

PHARMACIST

- Ensured precision in reviewing and verifying physician's orders, collaborating with prescribers as needed.
- Streamlined pharmacy operations, encompassing inventory oversight, financial transactions, customer relations, and workforce scheduling.
- Vigilantly identified and mitigated potential adverse drug interactions and contraindications in polypharmacy situations.
- Delivered comprehensive patient education and counseling on various medication types, including OTC, herbal, and nutritional products.
- Conducted thorough assessments of patient health and medical histories to establish optimal therapeutic plans.
- Implemented regular drug utilization reviews to enhance the cost-efficiency of patient care.
- Expertly prepared IV admixtures in compliance with USP 797 aseptic standards.
- Maintained robust inventory control systems to guarantee constant medication availability.
- Skillfully compounded prescriptions and provided informed over-the-counter advice to customers.

MOULANA HOSPITAL
Perinthalmanna
Jan 2021 - Feb 2021

INTERNSHIP PHARMACIST

- Streamlined pharmaceutical mixing, packaging, and labeling processes, ensuring compliance with policies and legal mandates for quality assurance and secure disposal.
- Offered expert guidance on medication brand selection, medical equipment, and healthcare supplies to enhance customer satisfaction.
- Delivered critical information on drug interactions, side effects, dosage, and storage practices to ensure patient safety and medication efficacy.
- Managed comprehensive patient records to uphold the integrity and accuracy of prescription dispensing.
