## PROFILE SUMMARY

I am a Dedicated and detail-oriented Pharmacy Technician with MOH certification, bringing extensive expertise in prescription processing, Insurance claim and approval dispense claims management, and patient support. Adept at navigating complex insurance policies to ensure seamless medication coverage minimizing delays, and improving patient satisfaction committed to optimizing pharmacy operations, regulatory compliance, and healthcare service quality.

## WORK EXPERIENCE

### Deira pharmacy LLC

MAY, 2024 - PRESENT

Pharmacy Technician

- I process and verify prescriptions while ensuring compliance with UAE pharmacy regulations. I manage insurance claims by reviewing policies, verifying patient eligibility, and securing approvals. Additionally, I provide patient counseling on medication usage, dosage, and potential side effects to promote safe and effective treatment. Moreover, I oversee inventory control to ensure the availability of essential medications and collaborate with healthcare professionals to enhance pharmaceutical care and patient safety. Upholding strict regulatory compliance, I adhere to MOH guidelines to maintain the highest standards of practice.
- Provides support in medication preparation, double-checking, labeling, distribution, and delivery in compliance with local and international standards.
- Conducts routine inspections, monitors temperature and humidity, and ensures secure storage of pharmaceutical supplies.

### Om medicines

2021 - 2023

Pharmacist

- Accurately dispensing prescribed medications to patients, ensuring proper dosages and instructions are provided
- Offering professional guidance and counselling to patients on the appropriate use of medications, potential side effects, and any relevant
- Ensuring that the medicines prescribed to patients are suitable Advising patients about medicines, including how to take them.
- Reviewing and verifying the accuracy and validity of prescriptions to prevent errors and ensure patient safety
- Ensuring that the supply of medicines is within the law

### Government civil hospital Muzaffarpur Bihar

May, 2021- August, 2021
