Critical Care Nurse with 2 years of critical care experience, delivering evidence-based, patient-focused care in fast-paced, high-acuity environments. Proven ability to manage complex clinical situations, make sound decisions under pressure, and collaborate effectively within multidisciplinary teams.

WORK EXPERIENCE

Intensive Care Unit Staff Nurse/ Charge Nurse

April 2023 - April 2025

Davao Doctors Hospital, Davao City, Philippines

- Provide critical care to a wide range of high-acuity patients, including those who are intubated and mechanically ventilated.
- Manage and monitor patients with multiple invasive lines and drains (e.g., chest tubes, JP drains, wound VACs, external ventricular drains)
- Skilled in titrating vasoactive drips, managing sedation protocols, and interpreting complex hemodynamic data.
- Deliver critical post-operative care to kidney transplant recipients, with close monitoring of fluid balance, renal function, and hemodynamic status.
- Deliver critical care to ESRD patients on HD and CRRT, managing dialysis access (AV fistulas, grafts, central lines) and monitoring for complications.
- Care for post-op CABG patients, managing hemodynamics, chest tubes, pacing wires, and vasoactive meds.

Medical-Surgical Staff Nurse

January 2023 - April 2023

Davao Doctors Hospital, Davao City, Philippines

- Provided comprehensive direct care to patients with acute and chronic medical conditions.
- Assisted with pre- and post-operative care, including pain management and mobility support.
- Educated patients and families on discharge instructions, medication regimens, and self-care.
- Documented assessments, interventions, and outcomes accurately in electronic health records.
- Adhered to infection control, safety, and hospital policy standards to ensure quality care.

EDUCATION

Bachelor of Science in Nursing

May 2022

San Pedro College, Davao City, Philippines

- Dean's Lister (1st year – 4th year)

LICENSURE & CERTIFICATION
