Abushagara, Sharjah, United Arab Emirates | LinkedIn: [Jeesmonpg@LinkedIn](https://www.linkedin.com/in/jeesmonpg)

Profile Summary

Certified Professional Coder (CPC) with outpatient coding experience, proficient in ICD-10-CM, CPT, HCPCS, and E/M coding, adhering to UAE healthcare guidelines. Skilled in managing coding operations, claim processing, and insurance handling, with a strong grasp of human anatomy and medical terminology for precise coding. Dedicated to advancing healthcare excellence through precise coding, regulatory adherence, and optimized revenue cycles.

Professional Experience

Medical Coder - Out-patient

Dynamed Healthcare Solution Private Limited Ernakulam, Kerala, India

Burjeel Holdings Company, VPS Healthcare United Arab Emirates

February 2023 - August 2025

- Reviewed and accurately coded medical claims across multiple specialties, ensuring compliance with regulatory standards and optimizing reimbursement processes.
- Assigned precise ICD-10-CM and CPT codes to outpatient medical records, including Evaluation and Management (E/M) services, adhering to healthcare guidelines to maintain high coding accuracy.
- Utilized EMR systems and coding software such as Microsoft Office Suite, 3M coding software, Cerner, SAP to extract, review, and analyze patient data, streamlining workflows and medical record management efficiency.
- Collaborated with healthcare providers and billing teams to resolve coding discrepancies, ensuring compliance with insurance policies, reducing claim rejections, and maximizing reimbursement potential.

Professional Skills

- Proficient in ICD-10-CM, CPT, HCPCS, and E/M coding for outpatient services, ensuring accurate code assignment.
- Skilled in preparing and submitting clean claims to insurance payers, ensuring accuracy and compliance for timely reimbursement.
- Strong attention to detail, ensuring accurate coding and claim processing to minimize errors and optimize reimbursements.
- Comprehensive knowledge of medical terminology, anatomy, and physiology for accurate interpretation of clinical documentation.
- Well-versed in HAAD, DHA, and UAE healthcare regulations, ensuring coding practices comply with legal requirements.
- Capable of analyzing medical records and insurance claims to identify and correct errors efficiently.
- Effective communication with healthcare providers, insurers, and billing teams to resolve coding issues and streamline processes.
- Experienced in working with UAE insurance providers, including Daman, Aetna, NAS, MetLife, Thiqa, and ADNIC, ensuring smooth claim submissions and follow-ups.
- Proficient in Microsoft Office Suite (Excel, Word, PowerPoint), 3M Coding Software, Cerner and SAP Software.
- Skilled in managing multiple coding tasks within tight deadlines to ensure timely submission of claims.
- Committed to continuous learning and staying updated with the latest coding standards and healthcare regulations.
