DHA Licensed Registered Nurse – Dubai

## PROFESSIONAL SUMMARY

---

Registered Nurse with over six years of experience in reputed hospitals, seeking a Registered Nurse position in Operation Theatre or Labour and Delivery. Experienced in surgical assistance, maternal and neonatal care, infection control, patient monitoring, and clinical documentation while strictly following hospital protocols and patient safety standards.

## PROFESSIONAL EXPERIENCE

---

### Operation Theatre Nurse

#### St. Thomas Mission Hospital, Kattanam

Aug 2024 – Dec 2025

- Prepared operation theatre environment ensuring sterile conditions and readiness for scheduled surgical procedures.
- Assisted surgeons during various surgical procedures following established operation theatre nursing protocols.
- Arranged, sterilized, and maintained surgical instruments and equipment before and after procedures.
- Provided continuous intraoperative patient monitoring ensuring safety and stability throughout surgical procedures.
- Delivered preoperative nursing care including patient preparation and verification of surgical requirements.
- Delivered postoperative nursing care including patient observation, wound care, and recovery support.
- Maintained strict adherence to infection control practices and universal precautions during surgical procedures.
- Coordinated effectively with surgeons, anesthetists, and nursing staff during surgical interventions.
- Documented nursing activities, surgical details, and patient responses accurately in clinical records.
- Ensured compliance with hospital policies, safety guidelines, and operation theatre standards consistently.

### Staff Nurse – Labour & Delivery Room

#### Apollo Hospital, Navi Mumbai

Aug 2021 – Sep 2022

- Assisted obstetricians during normal and high-risk labour and delivery procedures.
- Provided comprehensive antenatal, intrapartum, and postnatal nursing care to mothers.
- Conducted maternal assessments including vital signs monitoring during labour and delivery.
- Performed newborn assessments and provided immediate neonatal care after childbirth.
