ACADEMIC PROJECT

Title: *Formulation and Development of CHUNDAI VATRAL CHOORNAM Tablets*

Reference: *Theraiyar Karaisal 300 and Siddha Formulary of India – Part 1*

Description:

- Developed a standardized tablet formulation from traditional Siddha herbal powder (Choornam).
- Applied pharmaceutical techniques to convert Chundai Vatral Choornam into tablet dosage form for better patient compliance.
- Ensured quality parameters such as weight variation, hardness, friability, and disintegration were within acceptable limits.
- Bridged classical Siddha literature with modern pharmaceuticals for product development.
