// PROFESSIONAL EXPERIENCE

ASIA HOSPITAL PVT, MAHARAGAMA, SRI LANKA

Registered Nurse – OPD (Feb. 2024 – Dec. 2025)

- Assisted physicians during OPD consultations and procedures
- Monitored vital signs and documented patient information
- Managed patient flow while maintaining infection control standards
- Maintained confidentiality and compliance with hospital policies

Registered Nurse – Medical & Surgical Unit (Feb. 2023 – Jan. 2024)

- Delivered comprehensive nursing care to patients with acute and chronic medical and surgical conditions.
- Administered medications, IV fluids, blood products, and monitored for adverse reactions.
- Provided wound care, drain management, catheter care, and post-operative monitoring.
- Educated patients and families on disease management, medications, and discharge planning.
- Collaborated with physicians and allied health professionals to optimize patient outcomes.

Registered Nurse – Emergency Treatment Unit (ETU) (Feb. 2022 – Jan. 2023)

- Performed rapid triage and prioritized care for trauma, medical, and surgical emergencies.
- Assisted in resuscitation, airway management, oxygen therapy, and emergency medication administration.
- Monitored vital signs, neurological status, and hemodynamic stability of critically ill patients.
- Prepared patients for emergency procedures and coordinated transfers to OT, ICU, or wards.
- Maintained accurate documentation and adhered to emergency protocols and infection control guidelines.

Registered Nurse – Day Surgery Unit (Oct. 2020 – Jan. 2022)

- Prepared patients for elective day surgeries including pre-operative assessment and documentation.
- Assisted with perioperative care and ensured patient readiness for anesthesia and procedures.
- Monitored patients' post-procedure, assessing pain levels, vitals, and recovery progress.
- Provided discharge instructions and post-operative care education.
- Ensured compliance with safety protocols and same-day discharge standards.

KINGS HOSPITAL, NARAHENPITA, SRI LANKA

Theatre Nurse – Operation Theatre (General Urology Surgery & Pacu) (Aug. 2019 – Sep. 2020)

- Functioned as a Scrub Nurse and Circulating Nurse during General and Urology surgeries, ensuring strict adherence to aseptic techniques and sterile field maintenance.
- Prepared and handled surgical instruments, sutures, implants, and equipment specific to urological and general procedures.
- Assisted surgeons intraoperatively by anticipating needs, passing instruments accurately, and maintaining surgical counts (swabs, needles, instruments).
- Ensured compliance with WHO Surgical Safety Checklist, infection prevention protocols, and patient safety standards.
- Provided post-anesthesia care (PACU) including airway monitoring, pain assessment, vital signs observation, and early detection of post-operative complications.

Registered Nurse – Dental Care Unit (Aug. 2019 – Sep. 2020)

- Assisted dentists during procedures including extractions, restorations, and minor surgeries.
- Prepared dental instruments and maintained strict infection control practices.
- Provided patient education on oral hygiene and post-procedure care.
- Managed dental clinic documentation and appointment coordination.
- Ensured patient comfort and safety throughout dental treatments
