WORK EXPERIENCE

Staff Nurse - Neuro ICU

Rajagiri Hospital, Kochi, Kerala, India. Sep 2022 - Dec 2024

- Performed neurological assessments and monitored patient conditions.
- Administered medications, IV therapies, and neurocritical treatments.
- Operated advanced equipment like ventilators and ICP monitors.
- Managed neurological emergencies, including strokes and seizures.
- Educated patients and families on conditions and recovery.
- Maintained detailed electronic health records (EHR).
- Ensured infection control and a sterile environment.

Staff Nurse - ICU and Medical Surgical Ward

Vathiyayath Hospital, Kerala, India Aug 2021 - Aug 2022

- Provided post-operative care, wound management, and ventilator support.
- Educated patients and families on treatment and post-discharge care.
- Monitored vitals, administered medications, and ensured patient safety.
- Assisted in procedures like intubation, arterial line insertion, and tracheostomies.
- Maintained records, enforced infection control, and ensured hygiene.

Staff Nurse - Liver ICU+ Liver Transplant. May 2018 - Jan 2021 **Sahyadri Super Specialty Hospital Pune, Deccan, India**

- Provided care for pre- and post-liver transplant patients, monitoring critical parameters.
- Administered immunosuppressants and managed adverse reactions.
- Monitored liver-specific conditions and post-transplant complications.
- Assisted in surgical recovery and managed graft function and fluid balance.
- Responded to emergencies like acute liver failure and sepsis.
- Educated patients and families on post-transplant care and lifestyle changes.
- Ensured infection control and sterile ICU environments.
