PROFILE SUMMARY

Compassionate and dedicated Critical Care Nurse with over 2.5 years of specialized experience in ICU and MICU settings, skilled in providing high-quality care to critically ill and ventilated patients. Adept at monitoring complex clinical conditions, managing life-support equipment, and responding promptly to medical emergencies. Proven ability to collaborate effectively with multidisciplinary teams to deliver individualized patient care plans and support positive patient outcomes.

WORK EXPERIENCE

CRITICAL CARE NURSE (MICU)

(NOV 2022 - APR 2025)

ST. GREGORIOS MEDICAL MISSION MULTI-SPECIALITY HOSPITAL, KERALA, INDIA

- Delivered expert nursing care to critically ill patients in ICU and MICU settings.
- Monitored vital signs, lab values, and clinical symptoms to detect early changes in patient status.
- Administered medications, IV fluids, vasopressors, and sedation as directed by physicians.
- Managed ventilator support and worked closely with respiratory therapists to optimize patient breathing.
- Responded quickly to emergencies such as cardiac arrests and septic shock.
- Assisted in emergency procedures including CPR, defibrillation, and intubation.
- Facilitated invasive procedures like central and arterial line insertions, lumbar punctures, and chest drain placements.
- Provided post-operative care to cardiac, neuro, and trauma patients ensuring stability and recovery.
- Collaborated with multidisciplinary teams to create and adjust individualized care plans.
- Educated patients and families about treatment, medication, and discharge instructions.
- Maintained strict infection control and safety standards within the ICU environment.
- Documented patient care, interventions, and clinical findings accurately and timely.
