

## Aswany AC (Medical Coder)

Al othman building, Abu shagara, Sharjah  
+971 507828933 | aswanyac6@gmail.com

### Objective

Motivated, Hardworking, CPC certified medical coder with 94% of accuracy and 3 and half years of experience looking to a secure position as medical coder with a reputed organization. My objective is to be a productive and valuable member of the Medical coding industry, utilizing my knowledge in medical coding to increase revenue.

### Experience

- **Prime Cure Medical center, Abu Dhabi, UAE** 18/02/2023 - 23/03/2025  
Medical Coder /Insurance coordinator
  - Reviewed, analyzed and abstracted clinical information from patient medical records and documents for diagnostic and procedure codes assignment for dental claims.
  - Queried to physician for clarifications and additional documentation prior to code assignment.
  - Ensured to reduce rejections and get claim paid at the initial submission of claims.
  - Follow up on rejected or denied claims and make necessary corrections.
  - Ensure the timely submission and resubmission of claims.
  - Support audits through accurate documentation, reporting, and data integrity maintenance and support insurance reconciliation processes.
  - Identify documentation gaps and coordinate with physicians, nurses and other staffs to resolve the discrepancies.
  - Maintaining confidentiality and ensure data accuracy in all coding and billing records.
  - Stay updated on changes in coding standards and insurance regulations.
- **XL Health private limited, Bangalore, India** 02/09/2021 - 02/12/2022
