## To Whom it may Concern,

I am writing to express my interest in the **Registered Nurse** position at your esteemed healthcare facility. As a **DHA-eligible Registered Nurse** with **experience in Oncology Neutropenic Intensive Care**, I am eager to contribute my clinical expertise, compassionate patient care, and commitment to healthcare excellence to your team.

I have worked at **Amala Institute of Medical Sciences, a 1000-bedded NABH, NABL & Nursing Excellence Accredited Multi-Specialty Hospital**, where I specialized in oncology, hematology, and critical care nursing.

My key competencies include

- **Providing specialized nursing care** for oncology and neutropenic patients, ensuring strict adherence to **infection control and patient safety protocols**.
- **Delivering advanced critical care** to ventilated patients and those undergoing chemotherapy, radiation therapy, and hematology treatments.
- **Administering medications, IV therapies, and blood transfusions** while maintaining **compliance with hospital policies and international healthcare standards**.
- **Coordinating with multidisciplinary healthcare teams** to facilitate **comprehensive, patient-centered care** and optimize treatment outcomes.

With **ACLS & BLS certifications**, strong knowledge of **infection prevention, and a patient-focused approach**, I am confident in my ability to deliver high-quality nursing care in line with international healthcare standards.

I would welcome the opportunity to join your team and contribute to your commitment to exceptional patient care. I have **attached my resume** for your review and would appreciate the opportunity to discuss my qualifications further.

Thank you for your time and consideration. I look forward to your response.

Sincerely,

**Aneesha P C**
