Work Experience

1. Pharmacist at AYISHA MEDICALS, India: March 2024-September 2024

- Customer Service and Enquiry Resolution:** Responded to patient inquiries with professionalism, offering clear explanations of medication usage, side effects, and drug interaction analysis. Delivered exceptional customer service.
- Medication Dispensing and Mngement:** Dispensed prescribed medications, ensuring accurate dosage calculation and adherence to prescription verification protocols.
- Patient Counselling and Education:** Provided comprehensive patient counselling, addressing medication therapy management (MTM) concern and educating on potential drug interactions and side effects and advised patients on the correct usage of medications.
- Inventory Management and stock Control:** Maintained and updated inventory records, utilizing pharmacy management software to track and order stock, including controlled substances and over-the-counter (OTC) medications.

- **Prescription Management and Verification:** Accurately reviewed and interpreted prescriptions, ensuring proper dosage, duration, and drug compatibility before dispensing to patients. Conducted through prescription verification, cross-checking with patient history and known allergies to prevent adverse drug reactions (ADR).
- **Regulatory Compliance and Documentation:** Maintained up-to-date knowledge of pharmaceutical regulations and standards, ensuring all operations comply with state and federal laws.
