REGISTERED NURSE WITH DHA ELIGIBILITY

DEAR HIRING MANAGER

I am ALANGARA MIHA,a graduate registered nurse with years of experience who is applying for a registered nurse positions with your health care settings.I can offer outstanding abilities in assessment , establishing goals,implementing intervention, evaluating outcomes and confidence to the best benefit to the organization.

In addition to being a strong communicator,active listener,dedicated and compassionate registered nurse .I will play a vital role in the care of the patient and the standard of your health care setting.I am good in IV cannulation,naso gastric tube and catheter insertion,stoma care,aseptic dressing,aseptic blood collection,oxygen theraphy.I also have experience in managing patient records and coordinating with other healthcare professionals to ensure effective patient care.I have completed basic life support and Advanced cardiac life support from American Heart Association.

Additionally, I can speak English,Hindi and Tamil fluently.Moreover,I am good at dancing ,singing ,drawing, and art works.I possessed certificate of National level conference for AI in Health care industry.

I am confident that I am the best candidate for this position. I have excellent interpersonal and communication skills and am able to connect with patients in a friendly and professional way. I am also a team player, and I am willing to go the extra mile to ensure that each patient receives the best possible care, and i excited about the opportunity to join your team and I am confident that I can make a positive contribution to your organization.

Here I enclosed my resume for your review,Looking forward to receiving a positive response

YOURS SINCERELY

R. Alangara MHA
