## SUMMARY

I am a MOH-licensed pharmacist with a strong foundation in medication dispensing and patient counseling. Experienced in both community and hospital pharmacy settings, with a focus on ensuring safe, effective, and evidence-based pharmaceutical care. Skilled in interpreting prescriptions, advising on over-the-counter treatments, and providing safe medication use through effective communication and drug interaction checks.

## WORK EXPERIENCE

**Pharmacy Intern** | *Noor AlHayat Pharmacy | UAE | Oct 2024 – Present*

- Provide effective patient counselling and guidance on both prescription and over-the-counter medications.
- Manage medication therapy to optimize treatment outcomes and promote safe, informed medication use.
- Oversee pharmacy inventory, ensuring optimal stock levels, expiry tracking, and efficient procurement.

**Product Specialist Intern** | *Abbvie | Dubai, UAE | Jan 2024 – May 2024*

- Assisted senior medical representatives in promoting and selling the company's products to healthcare professionals, including doctors.
- Accompanied senior representatives on field visits to clinics, and hospitals, to observe sales presentations and learn effective communication techniques.
- Collected feedback from healthcare providers about the product and reported findings to the sales teams.
- Conducted a detailed SWOT analysis to evaluate product positioning, market competitiveness, and strategic growth opportunities.

**Hospital Pharmacy Intern** | *Zulekha Hospital | Sharjah, UAE | Apr 2023*

- Clinical training focused on inpatient dispensing, medication preparation, and hospital workflow.

**Hospital Pharmacy Intern** | *University Hospital Sharjah | Sharjah, UAE | Feb 2023*

- Rotation involving exposure to clinical pharmacy practices and hospital pharmacy operations.

**Community Pharmacy Training** | *Bait Al Maqdes Group of Pharmacies | Sharjah, UAE | Mar 2023*

- Training with a focus on patient counselling, OTC recommendations, and prescription handling.

**Community Pharmacy Training** | *Bait Al Maqdes Group of Pharmacies | Sharjah, UAE | Jan 2023*

- Hands-on experience in community pharmacy operations, customer service, and inventory management.
