PROFESSIONAL EXPERIENCE

Clinical Pharmacist

July 2022 – March 2025

Nahas Hospital, Malappuram, Kerala

- Performed prescription review, verification, and dispensing to ensure therapeutic appropriateness and patient safety
- Conducted medication reconciliation, prescription auditing, and medication error reporting to improve clinical outcomes
- Monitored, documented, and reported adverse drug reactions (ADRs) as part of pharmacovigilance activities
- Delivered patient counseling on dosage, administration, contraindications, and adherence
- Evaluated drug–drug interactions and supported physicians with evidence-based drug information
- Contributed to antibiotic stewardship programs and Drug Information Centre operations to promote rational drug use

Drug Safety Associate

April 2021 – November 2021

IQVIA, Cochin

- Processed and reviewed Individual Case Safety Reports (ICSRs) in compliance with global pharmacovigilance regulations
- Conducted case intake, data entry, follow-up, and case triage using Argus Safety and Sapphire databases
- Performed medical coding using MedDRA and WHO-DD for accurate adverse event and concomitant medication classification
- Assessed seriousness, causality, expectedness, and listedness of adverse events
- Prepared, reviewed, and submitted regulatory safety reports within defined reporting timelines
- Conducted literature screening and ensured adherence to ICH guidelines, GVP standards, and SOP requirements
- Executed detailed quality checks and case quality review to maintain data integrity and compliance

Clinical Pharmacist (Intern)

September 2018 – October 2019

PVS Hospital, Kerala

- Supported medication chart review and prescription auditing in inpatient settings
- Assisted in ADR monitoring and drug interaction screening
- Provided patient counseling and supported Drug Information Centre services

Clinical Pharmacist (Intern)

February 2019 – March 2019

MVR Cancer Institute & Research Centre, Kerala

- Assisted in cytotoxic drug preparation support and oncology medication safety practices
- Contributed to infection control and antibiotic stewardship support in oncology care

EDUCATION

Doctor of Pharmacy (Pharm.D)

2013 – 2019

- Devaki Amma Memorial College of Pharmacy, Malappuram, Kerala
