

ABDUL VAHID M

Medical Coder cum Pharmacist

+971 54 357 0974

abdulvah33@gmail.com

Deira, Dubai

PROFESSIONAL SUMMARY

Seasoned healthcare professional combining 3+ years of community and clinical pharmacy experience with specialized training in medical coding. Proficient in ICD-10-CM, CPT, and HCPCS coding, with strong expertise in medical terminology, anatomy & physiology, and regulatory compliance. Adept at accurate documentation, claims processing, patient counseling, and inventory management. Seeking to leverage dual skillset to optimize revenue cycle management and elevate patient outcomes in a dynamic healthcare setting.

EXPERIENCE

Aug 2022 – Present

Life Pharmacy, Dubai,
UAE

Pharmacist

- Oversee accurate medication dispensing and prescription verification to ensure patient safety and legal compliance
- Conduct patient counseling on drug interactions, administration techniques, and adherence strategies
- Manage inventory levels, implement stock rotation plans, and collaborate with suppliers to prevent shortages
- Develop and execute pharmaceutical care programs to improve adherence and health outcomes
- Coordinate with physicians and nursing teams to resolve medication-related inquiries and optimize therapy

Dec 2021 – Jul 2022

Aami Medicals, Kerala,
India

Pharmacist

- Provided detailed patient consultations on prescription and OTC medications, enhancing medication understanding
- Maintained pharmacy operations including sales tracking, regulatory compliance checks, and customer service
- Implemented inventory control measures that reduced expired stock and minimized waste
- Advised on pharmaceutical product selection and storage, ensuring quality standards were upheld
- Collaborated with healthcare providers to facilitate seamless transition of care
