## SUMMARY

Compassionate Registered Nurse with over 2 years of experience in Gastroenterology, Urology, and Intensive Therapeutic Unit care. Skilled in managing post-operative patients, administering IV therapy, and performing wound care with accuracy and empathy. I prioritize patient-centered care and maintain strong communication and leadership in fast-paced, high-pressure settings. Known for a calm bedside manner, reliability, and attention to detail, I build positive relationships with patients, families, and colleagues while consistently delivering safe and effective nursing care.
