## PROFILE

---

Detail-oriented Pharmacist with experience in hospital and community settings. Skilled in prescription dispensing, patient counseling, inventory management, and pharmacovigilance. Experienced in managing inpatient and outpatient services while ensuring regulatory compliance. DHA-eligible and committed to ethical practice, professional growth, and delivering high-quality pharmaceutical care.

## PROFESSIONAL EXPERIENCE

---

### PHARMACIST

#### **Aster MIMS Hospital, Calicut | May 2024 – October 2025**

- Accurately dispensed and verified prescriptions in accordance with physician directions and hospital pharmacy protocols, ensuring patient safety and adherence to medical standards.
- Provided patient counseling on correct medication use, dosage, and potential side effects to improve therapeutic outcomes and compliance.
- Managed medicine inventory, monitored stock levels, and maintained proper storage and documentation as per hospital and regulatory requirements.
- Collaborated with doctors, nurses, and other healthcare professionals to ensure safe and effective medication therapy and prevent dispensing errors.
- Participated in pharmacovigilance activities by documenting and reporting adverse drug reactions.
- Supported both inpatient and outpatient pharmacy operations, streamlining workflow and contributing to efficient healthcare delivery.

### LOCUM PHARMACIST

#### **Aster MIMS Hospital, Calicut, Kerala, India | October 2023 – May 2024**

- Dispensed and verified prescriptions accurately under the supervision of senior pharmacists, ensuring compliance with hospital pharmacy standards.
- Assisted in patient counseling regarding medication administration, dosage, and potential side effects to promote safe and effective therapy.
- Maintained proper storage and handling of pharmaceuticals in accordance with hospital and regulatory guidelines.
- Supported inventory control by monitoring stock levels, recording daily usage, and assisting in procurement of essential medicines.
- Collaborated with doctors, nurses, and healthcare staff to ensure the timely supply of prescribed medications for both inpatient and outpatient departments.
- Ensured proper documentation and adherence to hospital quality and safety protocols.

### PHARMACIST

#### **Aster Pharmacy, Calicut, Kerala, India | August 2022 – September 2023**

- Dispensed prescription and over-the-counter medications accurately, following physician directions and established pharmacy protocols.
- Provided personalized patient counseling on medication usage, dosage, side effects, and storage to ensure safe and effective treatment outcomes.
- Maintained and monitored medicine inventory, conducted stock audits, and ensured availability of essential drugs.

- Verified prescriptions for accuracy and authenticity, preventing potential medication errors.
- Supported pharmacy operations by managing billing, prescription entries, and record-keeping in pharmacy management software.
- Ensured compliance with local regulatory and quality control requirements, maintaining a clean and organized dispensing environment.
- Assisted in training and guiding pharmacy assistants to ensure efficient and customer-focused service delivery.

## **PHARMACY INTERN**

### **Govt. Tribal Speciality Hospital, Kerala, India**

- Assisted registered pharmacists in dispensing and labeling medications under supervision.
- Gained hands-on experience in prescription verification, dosage calculation, and drug interaction checks.
- Supported patient counseling on proper medication use, dosage timing, and adherence.
- Maintained accurate pharmacy records, stock registers, and daily dispensing logs.
- Observed hospital pharmacy workflows, including inpatient and outpatient dispensing procedures.
