SUMMARY

Visa Status: Visit Visa (Valid till 6th July 2026)

Dedicated and compassionate Registered Nurse with DHA qualification and strong academic nursing experience, committed to delivering safe, ethical, and high-quality patient care. Seeking a challenging nursing position in a reputed healthcare facility where clinical knowledge, patient-centered care skills, and evidence-based practices can be effectively applied. Strongly focused on continuous professional development, multidisciplinary collaboration, and adherence to international healthcare standards. Aspires to contribute positively to patient recovery, organizational excellence, and the overall quality of healthcare services.

CLINICAL TRAINING & INTERNSHIP EXPERIENCE

Government District Hospital – Perinthalmanna | Clinical Posting (Obstetrics & Gynecology)

- Assisted in providing antenatal, intranatal, and postnatal nursing care for mothers in inpatient and outpatient departments.
- Monitored maternal vital signs, fetal heart rate, and labor progress to ensure maternal and fetal well-being.
- Supported healthcare professionals during normal deliveries and post-delivery care under supervision.
- Educated patients on breastfeeding, nutrition, newborn care, hygiene, and postnatal recovery practices.
- Maintained accurate patient documentation while following infection control and patient safety protocols.

Community Health Centre – Eravimangalam | Community Health Nursing Posting

- Participated in community health assessments and health awareness programs in rural and urban areas.
- Assisted in immunization programs and maternal-child healthcare services.
- Conducted patient education sessions on hygiene, nutrition, sanitation, and disease prevention.
- Supported healthcare teams during public health campaigns and preventive healthcare activities.
- Maintained community health records and promoted public health awareness among patients and families.

Salim's Neuropsychiatric Hospital – Perinthalmanna | Mental Health Nursing Posting

- Assisted in providing nursing care to patients with psychiatric and behavioral disorders.
- Observed patient behavior, mental status, and emotional responses under clinical supervision.
- Supported therapeutic communication and counseling activities to promote patient well-being.
- Assisted in medication administration and ensured adherence to safety and hospital protocols.

District Hospital Nilambur & Perinthalmanna Nursing Home | Obstetrics & Gynecology Posting

- Supported nursing care for women during pregnancy, labor, and postnatal periods.
- Assisted doctors and nurses with routine obstetric and gynecological procedures.
- Monitored patient condition, vital signs, and recovery progress during hospitalization.
