## PROFESSIONAL SUMMARY

Biochemistry postgraduate (M.Sc.) with hands-on experience in laboratory operations, tissue culture, sterile techniques, and quality documentation. Strong foundation in food safety, sanitation, HACCP, and compliance. Skilled in maintaining cleanroom discipline, preparing media, monitoring cultures, and supporting QA/QC workflows. Adept at following SOPs, ensuring accuracy, and contributing to efficient laboratory and food safety operations.

## CORE SKILLS

### Laboratory and Technical Skills

- Laboratory Operations and Equipment Handling
- Tissue Culture Techniques
- Sterile Technique and Cleanroom Discipline
- Sample Preparation and Media Preparation
- Laboratory Safety and SOP Compliance
- Data Recording and Documentation
- Quality Control Support
- Time Management and Multitasking
- Team Collaboration and Communication

### Food Safety and Compliance Skills

- Food Safety
- Sanitation
- Inspections
- Training
- Corrective Actions
- HACCP
- Food Safety Practices
- Compliance

## PROFESSIONAL EXPERIENCE

Tissue Culture Lab Technician - Sreepadma Aqua Flora, Ernakulam, India (Jul 2022 - Jul 2023)

- Performed sterile plant tissue culture procedures, including explant preparation and subculturing.

- Prepared culture media, sterilized equipment, and maintained aseptic workflow.
- Monitored culture growth, recorded observations, and maintained environmental conditions.
- Ensured cleanroom discipline, proper waste disposal, and adherence to lab safety protocols.
- Supported daily lab operations and collaborated with team members to meet production targets.

Quality Assurance / Quality Control Trainee - PVT Merit Biolabs, Ernakulam (Jul 2022 - Sep 2023)

- Assisted in quality checks, sample handling, and documentation.
- Maintained logs, compliance records, and supported QA/QC workflows.
- Ensured adherence to SOPs, hygiene standards, and laboratory safety procedures.

Research Assistant - Mangalore, India (Jul 2025 - Present)

- Conduct literature reviews and assist in data analysis.
- Maintain accurate documentation and support research discussions.

## EDUCATION

M.Sc. Biochemistry - Sreesankara College Kalady (Expected 2025)

B.Sc. Biotechnology - MES College Marampally (2022)

## CERTIFICATIONS

- Highfield Level 3 Award in HACCP for Food Manufacturing
- Scientific Waste Management - Northamps
- Food Safety and Good Hygiene Practices - Awareness Training
- Veta Genomics Workshop on Advanced Molecular Techniques
- Biospark-24 National Seminar - Medical Biochemistry
