WORK EXPERIENCE

Medical Coder Trainee – Al Afiah Health Care Services, UAE

July 2025 – Present

- Performed medical coding using ICD-10-CM, CPT, and HCPCS Level II for patient encounters.
 - Assisted in UAE insurance e-claim processing and submission according to DOH/DHA guidelines.
 - Reviewed clinical documentation for accuracy and completeness before claim submission.
 - Collaborated with senior coders to ensure coding accuracy and reduce claim denials.
 - Gained experience in UAE healthcare billing workflows and payer requirements.
-

Medical Coder – S2M Health Pvt Ltd, India

August 2024 – June 2025

- Applied US guidelines (ICD-10-CM, CPT, HCPCS, DRG) for offshore medical coding projects.
 - Assigned diagnosis and procedure codes for outpatient and inpatient records.
 - Ensured accurate selection of principal and secondary diagnoses, E/M levels, and modifiers.
 - Conducted coding audits to support compliance and reduce denial rates.
 - Maintained coding accuracy and timely claim submission for US healthcare clients.
-

EDUCATION

Medical Coding and Billing Diploma – Cardea Healthcare Solutions

June 2023 – April 2024

- Completed training in ICD-10-CM, CPT, HCPCS, and RCM workflow.
- Developed strong understanding of billing procedures and healthcare documentation.

Bachelor's Degree in Sociology – Calicut University (2019 – 2022)

Higher Secondary Education – Kerala Examination Board (2017 – 2019)
