PROFESSIONAL SUMMARY

Highly accomplished General Practitioner with over 6 years of experience delivering comprehensive, patient-focused healthcare across diverse clinical environments. Multidisciplinary expertise spanning general practice, surgery, urology, and emergency care. Proven ability to manage complex conditions, lead ward rounds, and mentor junior staff. MOH licensed and DHA eligible for practice in the UAE.

WORK EXPERIENCE

General Practitioner Jan 2026 – Present

United Medical Center LLC · Ajman, UAE

- ▶ Conduct comprehensive consultations including history, examination, and diagnostics (bloods, X-ray, labs)
- ▶ Diagnose and manage acute & chronic conditions; prescribe per clinical guidelines
- ▶ Deliver preventive care: vaccinations, screenings, and chronic disease management (DM, HTN, asthma)

Resident Medical Officer – General Surgery Nov 2024 – Oct 2025

Dr. Ruth KM Pfau Civil Hospital · Karachi, Pakistan

- ▶ Assessed ER and OPD patients, ordered investigations, and discussed differentials with surgical consultants
- ▶ Assisted emergency procedures including laparotomy and chest tube insertion; coordinated multidepartmental care

FCPS II Trainee – Urology Feb 2023 – Sep 2024

SIUT – Sindh Institute of Urology & Transplantation · Karachi

- ▶ Rotations: Functional Urology, Kidney Transplant, Uro-oncology, Pediatric Urology, Robotic Surgery
- ▶ Assisted PCNL, URS, cystoscopy, nephrectomy, kidney transplant, cystectomy, and VVF repair

FCPS II Trainee – General Surgery Jan 2021 – Jan 2023

Dr. Ruth KM Pfau Civil Hospital · Karachi, Pakistan

- ▶ Rotations: Trauma & Emergency, Surgical Assessment, Urology, Orthopaedics, Neurosurgery, Plastic Surgery, ICU & Critical Care
- ▶ Conducted pre-operative assessments and assisted consultants in 200+ surgeries including appendectomy, hernia repair, and laparotomy
- ▶ Managed high-volume OPD and inpatient flow of up to 300 patients per 12-hour shift

Resident Medical Officer – ENT Aug 2020 – Dec 2020

Dr. Ruth KM Pfau Civil Hospital · Karachi, Pakistan

- ▶ Conducted patient assessments, documented medical histories, and presented cases in ward rounds
- ▶ Managed ENT emergencies including stridor, tracheal injury, and foreign body aspiration

Resident Medical Officer – Emergency Medicine Oct 2019 – Feb 2020

Aga Khan University Hospital · Karachi, Pakistan

- ▶ Managed complex acute conditions including malaria, dengue, myocardial infarction, and pneumonia
- ▶ Developed procedural expertise in intubation, IV cannulation, catheterization, and ventilator handling

House Officer – Medicine & Surgery Apr 2017 – Jun 2018

Jinnah Postgraduate Medical Center & Hamdard Hospital · Karachi

- ▶ Managed inpatient medical cases, assisted senior physicians, and performed wound care and post-operative dressings for surgical patients
