- IV Therapy & Cannulation
- Cardiac Monitoring & ECG Interpretation
- Wound Care & Dressing
- Medication Administration
- Patient Assessment & Monitoring
- Infection Control Practices
- Ventilator & Life Support Systems
- Pre- and Post-Operative Care

PROFESSIONAL SUMMARY

Compassionate and DHA-licensed Registered Nurse with over 2 years of hands-on clinical experience in medical-surgical ward, and rehabilitation care. Adept at rapid assessment, medication administration, wound care, and patient education. Proven expertise in managing critical patients, operating life support systems, and ensuring infection control compliance. Strong ability to thrive in high-pressure environments while delivering holistic, patient-centered care. Now seeking to contribute my skills in a reputed hospital or healthcare facility in the UAE.

- KNMC Registered Nurse – Reg. No: KL03202103993 (Valid till Oct 2026)**

PROFESSIONAL EXPERIENCE

Staff Nurse – Medical-Surgical Ward

Al Noor Hospital

Feb 2023 – Mar 2025

Malappuram, Kerala, India

- Delivered safe, evidence-based nursing care to medical-surgical inpatients, adhering to international healthcare standards and hospital protocols.
- Performed routine and emergency patient assessments, monitored vital signs, and promptly communicated critical changes to the healthcare team.
- Administered medications, IV fluids, and injections accurately, ensuring compliance with physician prescriptions and safety protocols.
- Assisted in various clinical procedures, including IV cannulation, catheterization, wound care, and emergency resuscitation.
- Maintained strict adherence to infection control policies, aseptic techniques, and patient safety guidelines in all nursing interventions.
- Collaborated with multidisciplinary healthcare teams to develop, implement, and evaluate individualized care plans for optimal patient outcomes.
- Educated patients and families on post-discharge care, medication compliance, lifestyle modifications, and chronic disease management.
- Managed accurate nursing documentation, completed patient admissions, transfers, and discharges, and ensured proper handover during shift changes.

- Electronic Health Records (EHR)
- Patient Education & Family Support
- Fast Adaptability & Team Collaboration
