Professional Summary

Compassionate and detail-oriented Registered Nurse with hands-on experience in Immediate Post-Operative Pediatric CVTS and Pediatric Surgery ICU. Skilled in managing critically ill pediatric patients, ventilator support, hemodynamic monitoring, and emergency response. Proficient in medication administration, infection control, and accurate clinical documentation in compliance with NABH standards. Strong team collaborator with a patient-focused approach and commitment to delivering safe, high-quality nursing care in acute care environments.

Professional Experience

Registered Nurse (Practical Trainee)

22 Aug 2024 – 21 Aug 2025

Amrita Institute of Medical Sciences & Research Centre, Kerala, India

Department: Immediate Post-Operative Pediatric CVTS & Pediatric Surgery ICU

- Delivered comprehensive nursing care to critically ill pediatric patients following cardiac and surgical procedures.
- Monitored vital signs, ECG, ventilator parameters, and arterial blood gases.
- Administered IV medications, inotropes, narcotics (pediatric doses), and blood products safely.
- Assisted in emergency procedures including intubation, resuscitation, and central line insertion.
- Maintained strict infection control measures and sterile techniques.
- Ensured timely and accurate nursing documentation and handover reports.
