WORK HISTORY

2025 – Nov 2025 Pharmacy Incharge @ Rivershore Hospital, Poonoor

- > Oversee daily pharmacy operations to ensure efficiency and compliance.
- > Supervise and guide pharmacy staff, including pharmacists and assistants
- > Ensure proper storage and inventory control of medications and supplies
- > Monitor expiry dates, manage stock levels, and coordinate timely reordering

2023 – 2025 Pharmacist @ Alnoor Clinic, Poonoor

- > Dispense medications accurately in accordance with physician prescriptions
- > Review prescriptions for appropriateness, dosage, and possible interactions
- > Ensure legal and regulatory compliance in dispensing medications

2020 – 2023 Pharmacist @ Rivershore Hospital, Poonoor

- > Accurately interpret and dispense prescriptions as per physician orders
- > Ensure medications are correctly labeled with appropriate dosages and clear patient instructions
- > Collaborate with doctors and nurses to ensure optimal pharmacological treatment plans
- > Manage pharmaceutical stock, verify expiry dates, and maintain safe storage environments
- > Maintain accurate records of dispensed medications, controlled drugs, and patient data as per regulatory requirements
- > Conduct periodical inventory checks to reconcile physical stock with records and avoid shortages or excess

2019 – 2020 Pharmacist @ Star Medicals, Ekarool

Worked as a retail pharmacist responsible for managing daily pharmacy operations including accurate dispensing of prescriptions and over-the-counter medications. Provided patient counseling on proper medication usage, dosage, and possible side effects. Ensured proper storage and handling of medicines in line with regulatory standards

2016–2017 Pharmacy Trainee@ Iqraa International Hospital, Calicut

Assisted senior pharmacists in daily pharmacy operations, including medication dispensing, shelf organization, and maintaining a clean and orderly environment. Gained practical experience in interpreting and processing prescriptions, providing supervised patient counseling, and understanding drug interactions and contraindications. Contributed to inventory control by monitoring stock levels, checking expiration dates, and learning proper storage practices
