PROFESSIONAL SUMMARY

DHA-eligible Pharmacist with three years of diversified experience in super-specialty hospitals, ophthalmic clinical settings, and high-volume retail pharmacies. Skilled in prescription verification, medication therapy management, ocular pharmaceuticals, dispensing accuracy, and patient counselling. Strong understanding of UAE/DHA standards and pharmacy regulations. Passionate about delivering safe, evidence-based, and patient-centred pharmaceutical care.

PROFESSIONAL EXPERIENCE

1. Sreenethra Eye Care Hospital – Kollam, Kerala, India

July 2024 – November 2025

Registered Pharmacist

- Dispensed ophthalmic medications with strict accuracy and compliance with safety standards.
- Provided patient counselling related to dosage, administration, and ophthalmic therapies.
- Monitored FEFO inventory and ensured complete regulatory documentation.
- Ensured adherence to pharmacy laws and improved workflow efficiency.
- Guided pharmacy students and interns during training rotations.

2. Ephrath Medicals – Kollam, Kerala, India

December 2022 – June 2024

Registered Pharmacist

- Verified prescriptions and ensured safe dispensing per medical guidelines.
- Contributed to service quality improvement and error-prevention protocols.
- Maintained accurate stock levels, expiry checks, and storage standards.
- Managed pharmacy documentation and digital records.

Trainee Pharmacist (Internship)

PMC Specialty Hospital

March 2021 – March 2021

- Assisted in dispensing medications and verifying prescriptions.
- Counselling patients on medication intake, adherence, and safety.
- Participated in stock control and medication storage management.
