Summary

Dedicated and DHA/DOH/MOH licensed Registered Nurse with **2 years of clinical experience** in the UAE, delivering high-quality and patient-centered care in fast-paced healthcare environments. Skilled in assessment, medication administration, wound care, infection control, and patient education. Adept at collaborating with multidisciplinary teams to ensure safe, evidence-based practice and excellent clinical outcomes. Committed to maintaining the highest standards of compassion, professionalism, and cultural sensitivity in diverse patient populations.

Experience

Right health karama medical center uae **November/18/2024-November/16/2025**
Register nurse Sonapur dubai

I have strong clinical experience, particularly in orthopedic procedures, including assisting with suturing and supporting various ortho interventions. I am skilled in managing orthopedic procedure stock, monitoring consumption, and ensuring timely replenishment. My responsibilities have included patient triage, clear communication with patients and caregivers, and referring critical cases appropriately. I am a fast, efficient worker with a strong focus on accuracy, patient safety, and smooth clinical operations.

Santhi multi specialty hospital **November 28/2022 - may/31/2024**
Staff nurse India,tamilnadu,tenkasi
