Proficient in **medical terminology, anatomy, physiology** and coding guidelines. Proven ability to work efficiently and effectively in fast-paced healthcare environments. **Strong analytical and problem-solving** skills, with a commitment to delivering high-quality coding services.

AREAS OF EXPERTISE

- CPT
- ICD-10-CM
- Procedure codes
- Patient Records
- HCPCS Level II Codes
- HIPAA
- Medicare and Medicaid Modifiers
- Medical Billing
- Diagnosis codes
- Claim Processing

WORK EXPERIENCE

Medical Coder

Optum Global Solutions
Hyderabad, India

JAN 2023- MAR 2025

- **Accurate Coding:** Review and assign appropriate ICD-10, CPT, and HCPCS codes to diagnoses, procedures, and treatments based on digital health records, telehealth visits, and remote patient monitoring data.
- **Documentation Review:** Work closely with clinicians and digital health providers to ensure accurate and complete documentation in patient medical records.
- **Compliance:** Ensure adherence to all healthcare coding regulations, including HIPAA, CMS guidelines, and payer-specific requirements.
- **Telehealth Coding:** Provide coding expertise for telemedicine services, including e-visits, video consultations, and remote health assessments, ensuring compliance with emerging telehealth regulations and guidelines.
- **Billing Support:** Collaborate with the billing team to resolve coding-related issues and ensure correct and timely reimbursement from insurance payers.
- **Data Analytics:** Assist in developing coding strategies for digital health platforms and contribute to data analysis projects for improving healthcare delivery and outcomes.
- **Auditing:** Perform periodic coding audits to maintain high accuracy levels and identify any documentation or coding errors.
- **Stay Updated:** Keep current with changes in medical coding standards, telehealth regulations, and digital health trends.
