PROFESSIONAL EXPERIENCE

Senior Inpatient/Outpatient Pharmacist | *June 2023 - Present*

Dubai Herbal & Treatment Centre | Dubai, UAE

- Ensures smooth running of daily pharmaceutical operations, including preparation, verification, PBM approval or charging, compounding, packaging, labelling, dispensing, and delivering medications in compliance with relevant regulations
- Prepares medications by reviewing and interpreting physicians' orders and prescriptions, identifying any therapeutic incompatibilities
- Initiates and maintains monitoring of patient waiting times
- Assists in maintaining records for controlled substances and manages the removal of outdated or damaged drugs
- Provides supervision, training, and development for pharmacy technicians and team members
- Organizes and directs technicians' workflow, verifying preparation, labelling, and order entries

- Works closely with pharmacy staff to ensure optimal workflow and patient care

Pharmacist in Charge | *September 2020 - October 2023*

Tarek Pharmacy | Dubai, UAE

- Provided comprehensive patient counseling on medications, side effects, and proper usage
- Managed inventory control and procurement, maintaining optimal stock levels
- Collaborated with medical personnel on medication orders and drug therapy optimization
- Implemented prescription verification processes to prevent medication errors

Senior Inpatient Pharmacist | *June 2017 - March 2020*

Al Amal Hospital | Dubai, UAE

- **Active member of Medication Management & Usage Committee (JCI Chapter)**
- **Pharmacy Quality Coordinator:** Generated monthly KPI reports for regulatory compliance
- Mentored pharmacy students and new staff with comprehensive training programs
- Conducted drug use reviews, interventions, and therapy management
- Managed controlled drug distribution per MOHAP policies and high-alert medication protocols
- Supervised emergency medication management and conducted monthly expiry audits

Senior Inpatient Pharmacist | *June 2013 - June 2017*

Zulekha Hospital | Dubai, UAE

- **Inpatient Pharmacy Department Head and MMU Committee Member (JCI)**
- Specialized in extemporaneous manufacturing and antibiotic dosing calculations
- Managed sterile cytotoxic drug manufacturing per Dubai Health Authority regulations
- Operated specialized compounding suites including laminar flow and cytotoxic preparation areas
- Supervised high-alert medication infusions with precise monitoring protocols
- Conducted regular safety audits and risk assessments

Clinical Pharmacist | *February 2011 - May 2012*

Sheikh Zayed Specialized Hospital | Cairo, Egypt

- Specialized in Total Parenteral Nutrition (TPN) preparation and chemotherapy protocols
- Developed educational programs for nursing staff on drug handling procedures
- Maintained comprehensive medication records and adverse drug reaction reporting

- Collaborated with multidisciplinary teams for high-risk patient management

Inpatient Pharmacist | October 2010 - January 2011 & February 2008 - July 2009

Sheikh Zayed Specialized Hospital & New Kasr El Aini Hospital | Cairo, Egypt

- Managed chemotherapeutic protocol verification and central pharmacy operations
 - Implemented FIFO inventory management and pharmaceutical stock control
 - Conducted drug stock inspections and maintained proper storage conditions
-
