EXPERIENCE

NURSE OFFICER, WOCKHARDT HOSPITALS | AUGUST 2023 - NOVEMBER 2025

- Provide **comprehensive post-operative critical care** for **liver and kidney transplant** patients.
- Serve as **Stroke Coordinator**, collaborating with emergency nursing staff, radiology and neurologists for **acute stroke management**, including **thrombolysis and thrombectomy** in line with international stroke guidelines
- **Compiling and Presenting the Stroke cases data** to the hospital stroke committee members, supporting continuous quality improvement in stroke.
- Manage **hospital data entry** into the **RES Q registry**, a program associated with the **World Stroke Organization** and **European Stroke Organization**. This initiative contributed to the **hospital achieving GOLD and PLATANIUM performance award** for stroke excellence.
- Represent the hospital as part of the **core team** during the **Audit of Quality and Accreditation Institute**. The hospital was **awarded the Certificate of Accreditation as an Advanced Stroke Centre**
- Formulate **care pathways** and **policy** for the hospital
- Conduct **post-discharge follow-up and homecare management**, ensuring continuity of care, recovery monitoring, and patient satisfaction.
- Perform **post-operative wound dressing** under aseptic technique for **Neuro-surgery patients**.
- **Communicate with patients from home to hospital settings** during emergencies to coordinate timely admissions and critical interventions.

- Deliver **continuous nursing education and training** to staff, enhancing clinical competency and patient safety.
- Support **homecare programs** by educating patients and families on self-care and recovery management.
- Operate and maintain **advanced critical care equipment** with precision and adherence to safety standards.
- Contributed to **improved patient outcomes and positive hospital reputation**, reflected in **Google reviews and patient feedback**.
- Promote a **collaborative, multidisciplinary approach** for effective patient-centered care.

STAFF NURSE, LILAVATI HOSPITAL & RESEARCH CENTRE | OCTOBER 2019 – AUGUST 2021

- Provided **comprehensive care to adult patients** across **medical, surgical, and chemotherapy units**.
- Delivered **high-quality care to COVID-19 patients**, ensuring safety and adherence to infection control protocols.
- Assisted in the **administration of chemotherapy and post-treatment monitoring** under oncologist supervision.
- **Monitored and managed patients with acute and chronic medical conditions** in collaboration with multidisciplinary teams.
- Demonstrated strong **clinical assessment, documentation, and communication skills** to support optimal patient outcomes.
