PROFESSIONAL SUMMARY

As a registered and experience nurse. I would like to become a part of a medical centre that offers me a constructive and challenging work environment for enriching my nursing skills and contribute in achieving optimal healthcare standards.

WORK EXPERIENCE

Registered nurse

Apr 2023 - Apr2025

Yenepoya Medical College Hospital, Mangalore, India

Cardiothoracic Unit (CTVS ICU)

- Provided critical care to post operative patients recover from open heart and complex thoracic surgeries.
- monitored vital signs, administered prescribed medications, assessed wound healing and detected any complications early.
- Provided education and emotional support to patients and family members.
- Collaborated with Doctors, co-workers, and multidisciplinary team to provide quality care to patients.
- Handled complex cardiac arrest situations, unstable arrhythmias and also maintained accurate and detailed patient records
- monitored cardiac devices, surgical drains, and hemodynamic parameters and also monitored invasive lines and handled pacemaker patients.

Clinical instructor

Mar 2021 - Sep2021

Nitte Usha Institute of Nursing Sciences, Mangalore, Karnataka

- Delivered engaging lectures and hands on training to enhance student understanding of clinical practices.
- Conducted practical training sessions, and provided mentorship and counselling to students, guiding their professional development.

Staff nurse

Apr 2017 – Sep 2018

Nirmala college of Nursing Hospital, Karnataka

Emergency Department

- During my tenure, I acquired extensive training and experience in the management of patients in the emergency department, to provide the quality patient care for people of all the ages, and to treat the wide variety of illness and injury situations.
