

FATEMA DEWJI

Registered Nurse

PROFESSIONAL SUMMARY

DHA-eligible new graduate registered nurse with a strong academic record (CGPA 4.0) and comprehensive clinical training across medical-surgical, critical care, pediatrics, maternal health, community health, and psychiatry. Skilled in providing evidence-based, patient-centered care with cultural competence for diverse populations. Adept at communication, teamwork, and critical thinking in fast-paced healthcare settings. Highly motivated to begin my nursing career, dedicated to supporting patient safety and improving health outcomes.
