## ABOUT ME

Experienced DHA-licensed pharmacist with a solid track record in prescription accuracy, patient counselling, and efficient pharmacy operations. Skilled in handling insurance claims, managing inventory, and providing support to chronic patients. Strong communicator, highly organized, and committed to delivering patient-centered pharmaceutical care.

## EXPERIENCE

October 2022 – October 2024

### Medicure polyclinic pharmacy under Med7 Faith group Al Mankhool, Dubai

Pharmacist

- Dispensed 50+ prescriptions per day, ensuring prescription accuracy and patient safety.
- Handled billing and claims for a wide range of insurance companies.
- Provided patient counselling on OTC drugs and chronic disease management.
- Maintained and inspected storage areas, managed controlled medications via online portals.

July 2018 – December 2021

### Aswas Community Pharmacy, Varkala, Trivandrum, India

Pharmacist

- Filled and dispensed prescriptions with precision.
- Managed inventory, reported low-stock levels, and performed shelf stocking and rotation.
- Assisted customers in selecting OTC medications and explained proper usage

## KEY ACHIEVEMENTS

- 99% Prescription Accuracy: Dispensed over 50 prescriptions daily with minimal errors.
- Inventory Management: Maintained 98% monthly stock accuracy and ensured proper storage and rotation.
- Chronic Patient Support: Guided patients on supplement use and medication adherence for diabetes, asthma, anaemia, and vitamin D deficiency.
