

Puneeth Deepak Ail

📍 Bangalore 📞 +917406034356 📧 puneeth204@gmail.com 🔗 [LinkedIn](#)

Master's-qualified Industrial Pharmacy professional with experience supporting R&D operations at Biocon Biologics and Lupin in compliance-driven environments. Skilled in structured documentation, data compilation, cross-functional coordination, regulatory-aligned workflows, and project tracking. Demonstrated ability to support protocol-driven research tasks, maintain controlled records, liaise with multidisciplinary teams, and ensure SOP/GxP compliance. Strong analytical writing, stakeholder communication, and process-improvement skills, reinforced by formal project-management training.

Experience

Biocon Biologics Ltd.

August, 2023 - February, 2025

Senior Scientist - Formulation Development - Biological Injectables

Bangalore
