SUMMARY

Detail-oriented and certified Pharmacist with a Bachelor of Pharmacy degree and solid hands-on experience in retail pharmacy, hospital pharmacy operations, prescription validation, medication dispensing, and inventory management. Proficient in pharmacy billing, drug inventory control, and ensuring regulatory compliance. Strong knowledge of pharmaceutical care, patient counselling, and medication safety protocols. Adept in using pharmacy management systems and providing exceptional customer service in fast-paced healthcare environments.

PROFESSIONAL EXPERIENCE

Assistant Pharmacist

Medcity Medical, Mulleria, Kasaragod, Kerala | December 15, 2024 – July 20, 2025

- Dispensed medications in accordance with physician prescriptions and verified dosage accuracy.
- Provided patient counselling on medication use, dosage schedules, and potential side effects.
- Managed inventory control, updated stock ledgers, and performed expiry checks.
- Operated billing systems and handled cash and insurance billing procedures.
- Ensured compliance with pharmaceutical regulations and safety protocols.

Trainee Pharmacist

Medcity Medical, Mulleria, Kasaragod, Kerala | August 1, 2024 – December 14, 2024

- Supported senior pharmacists in inventory management and daily operations.
- Assisted in data entry, invoice generation, and medicine shelving by therapeutic class.
- Observed pharmacy workflow, including drug interaction checks and refill processing.

Pharmacy Intern

Carewell Hospital and Research Centre, Kasaragod | August 14, 2023 – September 12, 2023

- Assisted in dispensing medications under supervision in a hospital setting.
- Gained exposure to hospital formulary management and medication reconciliation.
- Participated in ward rounds to understand in-patient drug administration protocols.
