Profile Summary

Detail-oriented Medical Coder with 2.9 years of experience in emergency and specialty coding at Dynamed Healthcare. Analyzed and classified complex medical records, improving billing accuracy by streamlining workflows and enhancing claim approval rates, resulting in reduced processing times. Seeking to leverage detailed precision and expertise in ICD-10 and CPT coding to optimize revenue cycles and improve reimbursement processes.

Professional Experience

Medical Coder – Out-patient

CCRCM – India - Dynamed Healthcare Solutions Private Limited (A Burjeel Holdings Company), Ernakulam, Kerala, India
December 2022 – August 2025

- Streamlined coding workflows in emergency and specialty care areas, facilitating enhanced accuracy and efficiency in patient data handling and contributing to reduced claim processing times.
- Assigned precise ICD-10-CM and CPT codes to outpatient medical records, including Evaluation and Management (E/M) services, adhering to healthcare guidelines to maintain high coding accuracy.
- Utilized EMR systems and coding software such as Microsoft Office Suite, 3M coding software, Cerner, SAP, and Insta, to extract, review, and analyze patient data, streamlining workflows and medical record management efficiency.
- Collaborated with healthcare providers and billing teams to resolve coding discrepancies, ensuring compliance with insurance policies, reducing claim rejections, and maximizing reimbursement potential.

Medical Coder – HCC coding

Clarus RCM Infotech Pvt. Ltd , Coimbatore , Tamil Nadu , India June 2022 – November 2022

- Reviewed patient charts for HCC coding under risk adjustment models .
- Applied ICD-10-CM codes in alignment with MEAT (Monitor, Evaluate, Assess, Treat) criteria .
- Identified and reported undocumented chronic conditions to improve RAF scores .
- Supported audit readiness and ensured high standards of coding documentation .

Professional Skills

- Proficient in ICD-10-CM, CPT, HCPCS, and E/M coding for outpatient services, ensuring accurate code assignment.
- Skilled in preparing and submitting clean claims to insurance payers, ensuring accuracy and compliance for timely reimbursement.
- Strong attention to detail, ensuring accurate coding and claim processing to minimize errors and optimize reimbursements.
- Comprehensive knowledge of medical terminology, anatomy, and physiology for accurate interpretation of clinical documentation.
- Well-versed in HAAD, DHA, and UAE healthcare regulations, ensuring coding practices comply with legal requirements.
- Capable of analyzing medical records and insurance claims to identify and correct errors efficiently.
- Effective communication with healthcare providers, insurers, and billing teams to resolve coding issues and streamline processes.
- Experienced in working with UAE insurance providers, including Daman, Aetna, NAS, MetLife, Thiqa, and ADNIC, ensuring smooth claim submissions and follow-ups.
- Proficient in Microsoft Office Suite (Excel, Word, PowerPoint), 3M Coding Software, Cerner, SAP, and Insta Software.
- Skilled in managing multiple coding tasks within tight deadlines to ensure timely submission of claims.
- Committed to continuous learning and staying updated with the latest coding standards and healthcare regulations.
