

JENISHA

Registered Nurse

I am dedicated and passionate to provide care to the patient and promote comfort and empower them with psychological support and using my hard work and perseverance. I immerse myself into individual tasks. I have a positive mind and good ability to adapt and create a stable environment around me. I do not hesitate to take the lead and strive to do my very best at all times. Successfully completing a task accurately and on time gives me a sense of accomplishment and motivates me to do a good job.
