

YASHICABEGAM A

Medical Coder | CPC Certified

Ajman, UAE | +971569835136 | allyashica@mail.com | linkedin.com/in/yashicabegamA

PROFESSIONAL SUMMARY

Certified Professional Coder (CPC) with over 5 years of experience in medical coding and quality analysis. Proficient in ICD-10, CPT, PCS, and E/M coding across multiple specialties including inpatient, surgery, and observation care. Demonstrated expertise in DRG validation, claim submissions, resubmissions, compliance audits, and UAE insurance adjudication workflows. Familiar with DHA, HAAD, NABIDH systems, and UAE claim portals like eClaimLink and Shafafiya. Strong analytical skills with thorough knowledge of UAE-specific coding guidelines.

PROFESSIONAL EXPERIENCE

Omega HealthCare Private Limited, Trichy — Medical Coder & Quality Analyst
August 2019 – January 2025

- Conducted internal coding audits to ensure compliance with CMS, UHDDS, and UAE-specific standards.
- Reviewed inpatient medical records for accurate DRG assignment and reimbursement.
- Assigned appropriate CPT, ICD-10-CM, PCS, ED, Surgery, and E/M codes across specialties.
- Evaluated global surgical packages including pre-op, intra-op, and post-op care.
- Processed and tracked claim status via eClaimLink and Shafafiya portals.
- Handled claim submission and resubmission processes in alignment with UAE payer requirements.
