SUMMARY

Staff Nurse with over 3 years of experience delivering exceptional patient care in diverse healthcare settings. Skilled in critical care monitoring, medication administration and infection control, contributing to a improvement in patient recovery rates. Adept at training staff and streamlining operations to ensure optimal patient outcomes and compliance with hospital standards.

EXPERIENCE

Neonatal Intensive Care Unit (NICU) - Jan 2022 to Apr 2025

Patil Hospital - Balrugnalay

Staff Nurse - Feb 2021 to Aug 2021

Medical College Hospital - Kottayam

SUMMARY OF EXPERIENCE

- Implemented hospital policies and patient care objectives, enhancing overall patient satisfaction and quality of care.
- Served as an active Charge Nurse during evening and night shifts, ensuring smooth ward operations in the absence of the Head Nurse.
- Provided critical care to patients by monitoring vital signs, fluid levels, and pain management, supporting improved recovery outcomes.
- Streamlined ward inventory management to maintain consistent availability of medical supplies and equipment.
- Trained and oriented new nursing staff, fostering a skilled and cohesive team.
- Delivered specialized care for premature and critically ill infants, ensuring their health and development in the NICU.
- Educated parents on post-discharge care, increasing their confidence and ability to care for their infants at home.
- Responded effectively to emergencies with resuscitation techniques, ensuring prompt and appropriate care.
- Maintained accurate and detailed records and reports to support compliance with hospital standards and legal requirements.
- Collaborated with multidisciplinary NICU staff to develop and implement personalized care plans, optimizing patient outcomes.
