

RAHNAH V.P. UAE MOHAP

LICENSED Medical Laboratory Technologist

Ajman, Rashediya 2

0567288405 | rahnahvp@gmail.com

Personal Details

- Date of Birth : 26/01/1998
- Marital Status : Married
- Passport : Y6974031
- Visa : Resident

Objectives

Qualified Medical Laboratory Technologist with a Bachelor degree in Medical Laboratory Technology from Bharathiar University and a valid MOH (UAE) License. Experienced in conducting diagnostic tests on blood, urine, and other clinical samples with precision and adherence to quality standards. Skilled in hematology, biochemistry, serology, phlebotomy and urine investigations, as well as laboratory equipment operation and maintenance. Committed to ensuring accurate diagnostic results, maintaining strict quality control, and complying with laboratory safety protocols. Passionate about continuous learning and contributing to patient care through reliable laboratory services.

CORE COMPETENCIES

- Clinical laboratory Testing and diagnostic procedures
- Compliance with Health and safety standards .
- Hematology, Biochemistry, Serology and Urine Investigation .
- Sample Collection(phlebotomy), Handling and Processing
- Quality Control and Quality Assurance in Lab Testing.
- Laboratory Equipment Operation, Calibration and Maintenance.
- Accurate Documentation & Report Preparation, Effective Communication& Team collaboration
- IT Skills MS. Excel, Word, Power point

PROFESSIONAL EXPERIENCE

- **MEDICARE LABORATORY -VETTUKKAD, THRISSUR,** 2022 - 2024 (2 Years)
Medical laboratory technologist
Performed routine and specialized laboratory tests in hematology, biochemistry, serology, and urinalysis.
Collected, processed, and handled patient specimens ensuring proper labeling and storage.
Maintained and calibrated laboratory instruments to ensure accurate results.
Recorded and reported test results accurately while maintaining patient confidentiality.
Supported the lab team in day-to-day operations and ensured compliance with safety protocols.
- **GET WELL HOSPITALS BY AYURGREEN -EDAPPAL, MALAPPURAM, KERALA** 2021 - 2021(8 Months)
Medical laboratory technologist
Conducted routine laboratory tests in hematology, biochemistry,

serology, and urinalysis.

Collected and processed patient samples following proper safety and labeling protocols.

Operated and maintained analyzers, performed daily QC, and ensured accurate test performance.

Prepared test reports and ensured timely communication of results to doctors

Assisted in managing stock of reagents and consumables in the clinic lab

- **ANSAR HOSPITAL- THRISSUR,KERALA, INDIA** 2020 - 2020 (8 Months)
Medical laboratory technologist
Performed laboratory tests accurately and efficiently to aid medical diagnoses.
Operated and maintained laboratory equipment, ensuring proper calibration and functionality.
Ensured compliance with safety protocols and quality control standards.
- **SREE VALSAM INSTITUTE OF MEDICAL SCIENCE** 2018 - 2018 (1 Month)
Internship/Medical Laboratory Technologist
Gained hands-on experience in various diagnostic procedures.
Assisted senior technologists in conducting routine laboratory tests.

KEY ACHIEVEMENTS

- Consistently delivered error-free diagnostic results, supporting accurate clinical decision-making and improving patient outcomes.
- Performed manual testing procedures (peripheral smear, ESR, Coagulation, Blood grouping, crossmatching, urine microscopy) with 99% accuracy, supporting precise clinical diagnosis.
- Played a key role in the COVID-19 response, performing safe and accurate swab collections under strict biosafety protocols.
- Strengthened laboratory reliability by implementing robust Internal Quality Control, External Quality, calibration schedules, and proficiency testing programs.
- Handled emergency/night shift cases efficiently ensuring uninterrupted patient care.
- Recognized by supervisors for professionalism, teamwork, and dedication to patient safety, contributing to a collaborative and efficient healthcare environment.

PROFESSIONAL QUALIFICATION

- **Bharathiar** 2016-2019
Bsc. Medical laboratory technologist
First class
- Higher secondary Education, Board Kerala 2015-2016

Languages

- English - Fluent
- Hindi - Intermediate
- Malayalam - Fluent

LICENSE & CERTIFICATION

- UAE MOHAP- Allied Health Technologist – Medical Laboratory MOH REF NO:(317376)
